

Curriculum Vitae

Richard Eastell

Professor of Bone Metabolism
Division of Clinical Medicine, University of Sheffield, UK

- Educational Background & Professional Experience**

1974	BSc (Hons), University of Edinburgh, Scotland
1977	MBChB, University of Edinburgh
1984	MD, University of Edinburgh
1996	FRCP, Royal College of Physicians of London
2000	FMedSci, Fellow of the Academy of Medical Sciences

- Current Post**

Professor of Bone Metabolism, Head of the Academic Unit of Bone Metabolism and Director of the Mellanby Centre for Musculoskeletal Research at the University of Sheffield, UK

- Award**

William F Neuman Award, ASBMR, 2023. This ‘recognises an ASBMR member for outstanding and major scientific contributions in bone and mineral research and for contributions to associates and trainees in teaching, research, and administration’. He was only the fourth British scientist to win this in 40 years.

- Research Interests**

I am interested in diagnostic tests for osteoporosis (such as bone turnover markers) and treatment of osteoporosis.
